

TROLLEY

150 KG

Order picking trolley, height adjustable

Trolley designed to move loads or bins on 1 or 2 levels. Ideal for order picking.

- Allows the height of the platform to be adapted to the type of handling to be carried out.
- Height adjustment in 50 mm increments.
- Safety ensured by a rack and pinion system that mechanically locks the tray.
- This truck is similar to a manual lift table without a cylinder and is strictly mechanical. No risk of oil leakage.
- Welded steel frame.
- Recessed and riveted top made of 12 mm thick varnished medium wood, very resistant, does not crack or splinter despite repeated impacts. No risk of splintering.
- Ergonomic height.
- 2 fixed + 2 swivel wheels with brakes. Complies with the EN 1757 standard.
- Optional: plastic bins.
